

# DOMINICAN REPUBLIC

JUNE 3-10, 2023

## VISION: WHY GO?

Be Stretched: We go to see and experience that our faith in Jesus crosses cultural and national boundaries. To get away from an ethnocentric, me centered faith.

- Be Amazed: To be amazed and strengthened by the good things God is doing in other locations.

- Learn: We enter as learners of how the church universal worships Christ, seeking to be challenged and transformed in our pursuit of Jesus, recognizing how different cultures express biblical worship.

- Serve: We enter as servants and learners, not as experts seeking to impart American Christianity.

## LOGISTICS: What you need to know.

**Cost:** \$1,500 + spending money (\$100-\$200)
